Year 2 inspire day

20th November 2023

Dear Parents and Guardians,

Over the next few weeks, the Year 2 classes will be looking at different texts about Nocturnal animals as part of their English lessons.

To inspire the children in their writing, the Year 2 team would like to invite the children to come into school wearing pyjamas for the day on **Monday 4th December**.

Children will still need a warm coat and appropriate shoes to wear outside. We will be having hot chocolate and cookies to finish our day.

Please let your child's class teacher know of any allergies that your child may have so an alternative can be provided.

Thank you

Kind regards

Year 2 team
