English Alphabetic code?

We use 44 sounds to make all the words in the English language.
This means we've got a problem.
We've got 44 sounds and only 26 letters.

The 26 letters work singly, in pairs and sometimes in threes to represent one sound.

We have to group letters together to write some sounds e.g. 'sh', 'air'.
We call these "special friends"

In English we have more than 150 ways to represent 44 sounds, using the 26 letters in the alphabet.

This makes our language one of the most complex in the world!

Read Write Inc, Phonics makes learning to read easy for children because we start by teaching them just one way of reading and writing every sound. Here they are on the Simple Speed Sounds chart.

We teach Set 1 sounds first - (sounds as far as a e i o u). Then Set 2 – one way to read and write each of the long vowel sounds.

The sound charts are displayed in **all** classrooms.

What is phonics?

Sounds

mat

ship

All words are made up of individual **sounds**. These sounds are blended together to form words. e.g. in 'mat' we have the sounds 'm', 'a', 't', ship – 'sh', 'i', 'p'.

A grapheme is another name for the letters we use to write the sound. It's spelling of a sound on the page.

Using phonics, children learn to read by saying each sound and blending them to read a word. Children learn to spell by segmenting a word into sounds and writing the matching graphemes.

The National Curriculum ensures that all children are taught Phonics systematically.

This gives your children the tools to read any word, for example *demonstrate, containing, roamed, trivial, injured, whimper.*

Sounds + Blending = Word Reading

Alongside teaching children sounds, we teach them to blend sounds to read words e.g. s-a-t, sat. Once children can read sounds speedily and understand 'Fred talk' (m-a-t...mat), they can decode words.

What we teach when?

Group		In Speed Sounds lessons, teach children to:	To progress into the next group children should be able to:

Phonics lessons at Ashbrook

- Children are grouped in ability attending a 30-minute session every day
- Read Write Inc strategies are used throughout the day in all aspects of reading and writing
- Sounds and words are displayed in each classroom to support the children
- Children not on track receive daily interventions
- Initially children will bring home a sheet daily to practise the new sound
- Children will then bring home blending books for daily practise
- Once in Ditty group the children will bring home a Ditty sheet to practise each day
- Once in Red group and beyond the children will bring home two books a week. These books are exchanged on a Tuesday and a Friday

Please ensure your children's books, reading records and fab phonics books are used daily but remain in their book bags so that they can read with their teachers at school.

Expectations of progress

Teaching letter formation

Handwriting phrases for helping your child to form letters

This works best if your child practises for a short time every day.

1. Show the picture side and air-write as you say the phrase.
2. Ask your child to practise in the air with you.
3. Using a sharp pencil and sat at a table, encourage your child to have a go.
4. Praise your child for their efforts.

- m Maisie, mountain, mountain
a round the apple, down the leaf
s slither down the snake
d round his bottom, up his tall neck and down to his feet
t down the tower, across the tower
i down the body, dot for the head
n down Nobby, over his net
p down the plait and over the pirate's face
g round her face, down her hair and give her a curl

What can you do to help?

1. Use **pure sounds** rather than letter names.
2. Teach the picture names.
3. Practise reading sounds speedily.
4. Watch the Virtual Classroom films together.
5. Use the handwriting phrases to practise writing
6. Short frequent bursts of practise (ideally daily) will have the biggest impact.

If you ever find your child does not have the expected sheet, reading book or has not had their fab phonics book updated, please contact your class teacher so that we can act promptly!

Thank you for taking the time to read this presentation. Your support and practise at home has an overwhelming impact on your child's progress.

If you have any additional questions, please do not hesitate to contact a member of the team.
