## Parents Information Phonics Screening Check

# What is the Phonics Screening Check?

---

- A word-reading test at the end of Year 1.
- Children read 40 words – a mix of real and nonsense words.
- Children complete the phonics screening check at the end of Year 1 so that parents can be confident their children are being taught to read successfully.
- Children read 40 words. It takes between two and five minutes.
- If they do not manage to read **32** of the words successfully, they are given extra support, and repeat the check at the end of Year 2.
- It means that all children will be able to read accurately before they begin Year 3.
