World Oceans Day 2024: Competition Time

Dear Parents and Carers

At Ashbrook School we are committed to doing our part for the environment. Our Eco Team members have been thinking of ways to reduce waste and have focused on sustainability. This year, to promote an awareness of **World Oceans Day**, we will be running a **competition**.

'Design and make a wearable piece of art using recycled plastic'

**Here are some ideas*

The wearable piece could be a hat, hair decoration, dress, t-shirt, necklace, wristband, or something else entirely creative. Let your imagination go wild!

Closing date for entries will be **Friday 7th June**. Children with an entry will be asked to showcase their entry in a special assembly. There will be prizes too!

Good luck and happy creating!

Jamie Ainscow
Headteacher
