20th October 2025

Dear Parents and Carers,

As part of our upcoming English unit based on the text *'Too Much Stuff'*, by Emily Gravett, Year 2 children will be taking part in a local walk to explore the wildlife and environment in our community.

During this walk, the children will be observing natural habitats and identifying areas where they can hang bird feeders which they will be making in class. This activity will help them understand the importance of caring for the environment and how small actions can support local wildlife.

Date of Walk: Monday 10th November

Location: Local area surrounding the school

Purpose: Environmental walk observing wildlife and placing handmade bird feeders

Staff are aware of all medical and dietary needs and appropriate risk assessments will be carried out prior to the walk.

Please ensure your child is wearing school uniform and they are dressed appropriately for the weather and wearing comfortable footwear.

If you have any questions or concerns, please do not hesitate to speak to a member of the Year 2 team.

Thank you for your continued support.

Kind regards

Year 2 Team
