IFtL's Got Talent

Dear Parents and Carers

You may have seen last week in our social media posting about our second edition of the Trustside competition, IFtL's Got Talent. Each of the schools across our IFtL family of schools have been asked to select one finalist, who will come together for a Grand Final in March at Olney Middle School.

Please speak with your child about a talent that they may wish to showcase for their class to see. It could be singing, playing an instrument, dancing, telling jokes or rhymes, art or something entirely different.

This week, each class will give children the opportunity to share their talents, and by next week we will hold a school final to choose our representative.

We want every child to have a chance to shine and show what they can do, what they love and what makes them unique.

We cannot wait to see what they have in store for us.

The selected finalist from Ashbrook will then be invited to the Grand Final, with further details shared before half term.

Kind regards

Jamie Ainscow
Headteacher
