17th September 2026

Dear Parents and Carers,

1:1 Year 2 iPad Information Day

We are pleased to invite you to an information session about the Year 2 iPads on **Wednesday 30th September** at 2:15pm.

The session will provide an insight into how the 1:1 device programme is enhancing and supporting your child's learning both at school and at home.

We will share how the devices are used to support learning, creativity, and collaboration across the curriculum, highlighting the educational benefits they offer and providing guidance on online safety and responsible use. There will also be an opportunity to see the devices in action and ask any questions you may have.

We encourage all families to attend, as this will help you gain a deeper understanding of how technology is enriching your child's learning experience and how you can support their learning journey at home.

We look forward to welcoming you to the session.

Mrs Begum
(Futures Ambassador)
